International Transport Logistics requires that companies providing trucking services directly to ITL or to ITL clients, pulling ITL equipment, sign an Equipment Interchange Contract and/ or Broker Carrier Agreement and meet ITL's insurance requirements.

A copy of the ITL Broker-Carrier Agreement and/ or Trailer Interchange Agreement is attached for your review and approval. Please sign and date the contract and fax the following to my attention at Fax # (904) 757-0969.

- * Signed of Broker-Carrier Agreement and/ or Trailer Interchange Agreement
- * Completed Carrier Profile
- * Operating Authority
- * SCAC Certification
- * Completed W-9 Form
- * HazMat Certification (If applicable)
- * Carrier FMSCA Safety Certification

Please mail the signed original agreement(s) to my attention at the above address. A fully executed copy of the contract(s) will be sent to you by return mail. (Note that each page of the agreement requires your initials).

A copy of ITL's insurance requirements is also attached. Please ask your agent to fax copies of your certificate(s) to my attention at the number listed above. Original certificates should be mailed to ITL at the above address.

Please do not hesitate to call Frank Pendleton at (904) 757-0960 ext. 146, should you have any questions.

We at ITL look forward to a long and rewarding business relationship with your company.

Regards,
